FULL ITINERARY

DAY 1 - BENVENUTI IN SICILIA, TAORMINA & THE TEATRO GRECO

Say goodbye to the Amalfi coast as we make our way to the airport for our flight to Sicily.

Upon arrival at Catania Airport we drive north along the coast to the world famous hill-top resort of Taormina. Popular since ancient times due to its favourable position, mild climate and magic atmosphere, there is much to see and do here.

We will enjoy the services of a local guide for walking tour and explore the 'Teatro Greco' or Greek Theatre.

Dinner and evening at leisure in Taormina

Accommodation: Taormina

DAY 2 - TAORMINA TO PALERMO

This morning we head west to the very centre of Sicily. First stop of the day will be at the Villa Romana Casale. Surrounded by thick tree-planted hills, this is a quiet unassuming place famous for having the largest and most varied collection of Roman mosaics in the world. Amongst this rugged countryside is the imperial Roman villa which once laid hidden under mud for seven hundred years. The excavated remains reveal a lavish villa, probably a hunting lodge and summer home, decorated with mosaic floors that are unique for their quality and size.

Today we enjoy characteristic Sicilian lunch together before continuing west towards Monreale and then Palermo.

Monreale is a small hill town eight kilometres southwest of Palermo and it commands spectacular views over the Conca D'Oro valley. While the panorama is stunning, the reason for our visit will be to explore the mighty Norman 12th century cathedral that dominates the town. While the square exterior is austere, the cathedral's interior really shines: it has the most extraordinary and extensive area of medieval mosaics in the world, undoubtedly executed by the best Greek and Byzantine craftsmen of the time.

We continue the short distance to Palermo and arrive at our hotel in Palermo for an evening and dinner at your leisure.

Included meals: Breakfast, Lunch

Accommodation: Palermo

DAY 3 - EXPLORE PALERMO

As the capital town of Sicily, Palermo has Sicily's greatest concentration of sights. It is beautifully located in its own wide bay underneath the limestone bulk of Monte Pellegrino. We will enjoy a walking tour of the town, taking in the Cattedrale with its impressive matching towers that date from 1185 and with its slightly out-of-character dome that was added in the late 18th century. We will visit the Palazzo dei Normanni (Royal Palace), and the superb mosaic covered chapel, the Cappella Palatina, as well as many other parts of the town. There will be time to find your lunch at leisure in this picturesque setting.

Tonight we dine together at a lovely Silician restaurant, toasting the time we have spent together and enjoying the new friends we have made.

Included meals: Breakfast & Dinner

Accommodation: Palermo
